 3331 E. Hemisphere Loop
 Tucson, AZ 85706
 U. S. A.

declare under our sole responsibility that the product families –

SCM5B Modules and Backpanels
SCM7B Modules and Backpanels
8B Modules and Backpanels
DSCA DIN Signal Conditioners
DSCT Two Wire Transmitters
LDM Limited Distance Modems
DCP Limited Distance Modems
SLX Isolynx Data Acquisition Systems
MAQ20 Modular Data Acquisition Systems

To which this declaration relates are in conformance with the European REACH Regulation 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH), entered into force in June 2007, and affects all companies producing, importing, using, or placing products on the European market. Dataforth Corporation follows and complies with the current revision of the REACH Regulation on the substances as identified by ECHA (European Chemical Agency).

Dataforth Corporation's products are considered articles as defined in REACH. These products/articles under normal and reasonable conditions of use do not have intended release of substances, including their disposal. Therefore the requirement in REACH for registration of substances contained in these products/articles does not apply.

Dataforth Corporation's products/article do not contain any of the Substances of Very High Concern (SVHC) candidates listed above the regulatory threshold of 0.1% w/w in our products/article nor does the tonnage exceed 1 tonne per importer per year. Therefore the requirements in REACH to notify ECHA of products/articles exceeding these limits is not applicable.

If new SVHC candidates are published by the European Chemicals Agency, and relevant substances have been confirmed, that exceeds greater than 0.1% (w/w), Dataforth Corporation will provide updated compliance status.
